**ES01 Breastfeeding Essentials**

Breastfeeding Essentials is for primary-care staff who are caring for mothers during pregnancy, birthing and for the duration of Breastfeeding. In this course, the participant will learn how to apply each of the 10 Steps to Successful Breastfeeding, or the 7-Point Plan for the Protection, Promotion and Support of Breastfeeding in community settings. The curriculum is based on the WHO/UNICEF 20-hour course that is required for Baby Friendly Hospitals Initiative (BFHI) accreditation. Therefore Breastfeeding Essentials will meet your need for primary-care staff education for your hospital or community level BFHI accreditation.

Study hours: 20 hours

Enrollment period: 12 months

On successful completion participants will receive a certificate with the following educational points noted:

- 20 L CERPs awarded by the International Board of Lactation Consultant Examiners.
- 20 hours pre-exam education (IBLCE)
- 20 Contact Hours (CHs) awarded by the California Board of Registered Nursing (USA Nurses).
- This course can be used for 20 CPD points (Australian Nurses and Midwives)

Expiry Date: 2016-07-14    Completion Date: Not yet completed

**Welcome to ES01 Breastfeeding Essentials**

You are on the course homepage for ES01 Breastfeeding Essentials. Work from the top of this page to the bottom to progress through your course and ensure you don't miss any of the valuable information.

[About My Course](#) [Start here and work your way down.](#)

[Important announcements](#)

**Learning Resources**

- [My Workbook](#)  
Click on My Workbook and print it out. Hand-write your responses to the activities when directed as you work through the Study Topics. My Workbook is also a valuable tool for future use once you have completed the course.
- [General Discussion Board](#)  
Visit this excellent discussion board to ask questions and discuss topical items with your colleagues and the Step2 Education Course Tutor! This is an open discussion board shared by all participants from around the world who are doing Breastfeeding Essentials.
- [Skills Competencies](#)  
You can print out your Skills Competencies checklist from this link. Check with your Facilitator or your facility's procedure for having your practical skills assessed.

**Study Topics**

Here is where you begin your studies, by clicking on "Module 1: Study Topics". A few things before you start:

- Is the spelling of your name correct (top right)? If not make the corrections in **My Profile Settings -> Edit Profile** (navigation menu bottom-left), before doing any quizzes. This is the name that will appear on your Certificate.
- There is a multiple-choice, graded Assessment Quiz for each of the modules. The self-test activities within the Study Topics are not graded.
- You have three attempts to achieve a passing grade (80%) in each of the Assessment Quizzes. Contact your Facilitator if you do not pass within 3 attempts.

**Module 1: Why Breastfeeding is Important**

- [Module 1: Study Topics](#)
- [Module 1: Assessment Quiz](#)

**Module 2: Communication Skills**

- [Module 2: Study Topics](#)

Use the menus on the left to navigate quickly to certain topics or resources such as your [Certificate](#).

Click here for the drop-down menu to [log out](#).

Check your progress under [Grades](#). You need 80% in each quiz before you can collect your Certificate.

Read through each [Study Topic](#), and complete the matching [Assessment Quiz](#).

If you experience any issues, contact [admin@step2education.com](mailto:admin@step2education.com) for assistance.
