# Forum Notifications

## How to subscribe/unsubscribe

Receiving notifications of new forum discussions can be a great way to keep involved in your course. You may also wish to stop receiving these notifications, and unsubscribing is a quick and easy process.

1. Log in to our [website](#).
2. Navigate to "My Courses", locate your course and click "view course" to enter it.
3. Locate the discussion forum and click to enter it (pictured)
4. In the administration panel on the left, scroll down to the Settings section. Under "Forum Administration" you will see the option to Subscribe or Unsubscribe (depending on what your current status is). Click on this and you will receive confirmation.
